/Callie E. Shosho/ Supervisory Patent Examiner, Art Unit 1794			

Continuation of 3. NOTE:

The amendment of claim 1 requires further consideration and a new search, as the amendment discloses limitations not previously presented in the claims: the amended claim recites exclusionary language, i.e. "consisting of", and the number of twists per length for both the strands and the filaments.

Added claim 15 was not previously presented, and therefore requires further consideration and a new search.
